

I can't be with you - 1/1

Interprété par Cranberries.

Paroles/Musique : O'Riordan, Hogan

Cd : No need to argue

Lying in my bed again,
And I cry 'cause you're not here
Crying in my head again,
And I know that it's not clear
Put your hands, put your hands,
Inside my face and see that it's just you
But it's bad and it's mad and it's making me sad,
Because I can't be with you
Be with you Be with you Be with you Be with you

Be with you, be with you, baby, I can't be with you
Thinking back on how things were,

And on how we loved so well
I wanted to be the mother of your child,
And now it's just farewell
Put your hands in my hands,
And come with me, we'll find another end
And my head, and my head on anyone's shoulder,
'Cause I can't be with you
Be with you Be with you Be with you Be with you

Be with you, be with you, baby, I can't be with you
'Cause you're not here, you're not here,
Baby, I can't be with you
'Cause you're not here, you're not here,
Baby, still in love with you
Still in love with you...
