

Everything I said - 1/1

Interprété par Cranberries.

Paroles/Musique : O'Riordan, Hogan

Cd : No need to argue

It makes me lonely
It makes me very lonely
When I see you here, waitin' on, he makes me tired
He makes me very tired
And inside of me, lingers on
But you have your heart

Don't believe it
and you will find it
Waitin' on
Everything I said, oh, well I meant it
And inside my head, holdin' on
'Cos if I died tonight

Would you hold my hand, no
Would you understand
And if I lived in spite
Would you still be here, no
Would you disappear
Surely must be you

Surely must be you
But I don't make you lonely
I'll get over you
But I don't make you lonely
