**Interprété par Cranberries.**

Paroles/Musique : O'Riordan, Hogan

Cd : No need to argue

Disappointment you shouldn't have done  
You couldn't have done  
You wouldn't have done  
The things you did then  
And we could've been happy  
What a piteous thing, a hideous thing  
Was tainted by the rest  
But it won't get any harder

And I hope you'll find your way again  
And it won't get any higher  
But it all boils down to what you did then  
In the night we fight, I lied you're right

It was exactly then  
It was exactly then  
I decided  
I decided  
I decided  
I decided  
And drew you out  
In the night we fight, I lied you're right  
It was exactly then  
It was exactly then  
I decided  
I decided  
I decided  
I decided  
But it won't be any harder

And I hope you'll find you way again  
And it won't get any higher  
But it over boils down to what you did then...  
Disappointment

Disappointment  
Disappointment....
