

## When It Comes To You - 1/1

Interprété par Dire Straits.

If we can't get along we oughta be apart  
And I'm wondering where'd you get that cold, cold heart  
Set me free - sign my release  
I'm tired of being the villain of the peace

You been giving me a bad time  
Tell me what I'd do  
How come I always get a hard time  
Honey when it comes to you  
Sayin' things that you didn't have to  
How come I always get a hard time  
Honey when it comes to you

You only get one life - this I know  
I wanna get my licks in now before I go  
The fire of love is dead and cold  
I gotta satisfy the hunger in my soul

And you been giving me a bad time  
Tell me what I'd do  
How come I always get a hard time  
Honey when it comes to you  
Sayin' things that you didn't have to  
How come I always get a hard time  
Honey when it comes to you
