

Water Of Love - 1/1

Interprété par Dire Straits.

High and dry in the long hot day
Lost and lonely every day
Got the flats all around me sky up above
I need a little water of love

I've been too long lonely and my heart feels pain
Crying out for some soothing rain
I believe I have taken enough
I need a little water of love

Water of love deep in the ground
No water here to be found
Some day baby when the river runs free
It'll carry that water of love to me

There's a bird up in a tree sitting up high
Waiting for me to die
If I don't get some water soon
I'll be dead and gone in the afternoon

Once I had a woman I could call my own
Once I had a woman now my woman is gone
Once there was a river now there's a stone
You know it's evil when you're living alone
