

## Kite - 1/2

**Interprété par U2.**

Something

Is about to give

I can feel it coming

I think I know what it means

I'm not afraid to die

I'm not afraid to live

And when I'm flat on my back

I hope to feel like I did

And hardness

It sets in

You need some protection

The thinner the skin

I want you to know

That you don't need me anymore

I want you to know

You don't need anyone

Or anything at all

Who's to say where the wind will take you

Who's to say what it is will break you

I don't know

Which way the wind will blow

Who's to know when the time has come around

Don't want to see you cry

I know that this is not goodbye

It's summer, I can taste the salty sea

There's a kite blowing out of control on the breeze

I wonder what's gonna happen to you

You wonder what has happened to me

I'm a man

I'm not a child

A man who sees

The shadow behind your eyes

## Kite - 2/2

Who's to say where the wind will take you  
Who's to say what it is will break you  
I don't know  
Where the wind will blow

Who's to know when the time has come around  
I don't want to see you cry  
I know that this is not goodbye

Did I waste it  
Not so much I couldn't taste it  
Life should be fragrant  
Rooftop to the basement

The last of the rocks stars  
When hip hop drove the big cars  
In the time when new media  
Was the big idea  
That was the big idea
