

# Some Days Are Better Than Others - 1/1

Interprété par U2.

Some days are dry, some days are leaky  
Some days come clean, other days are sneaky  
Some days take less, but most days take more  
Some slip through your fingers and onto the floor

Some days you're quick, but most days you're speedy  
Some days you use more force than is necessary  
Some days just drop in on us  
Some days are better than others

Some days it all adds up  
And what you got is not enough  
Some days are better than others

Some days are slippy, other days sloppy  
Some days you can't stand the sight of a puppy  
Your skin is white but you think you're a brother  
Some days are better than others

Some days you wake up with her complaining  
Some sunny days you wish it was raining  
Some days are sulky, some days have a grin  
And some days have bouncers and won't let you in

Some days you hear a voice  
Taking you to another place  
Some days are better than others

Some days are honest, some days are not  
Some days you're thankful for what you've got  
Some days you wake up in the army  
And some days it's the enemy

Some days are work, most days you're lazy  
Some days you feel like a bit of a baby  
Lookin' for Jesus and His mother  
Some days are better than others

Some days you feel ahead  
You're making sense of what she said  
Some days are better than others

Some days you hear a voice  
Taking you to another place  
Some days are better than others
