

I Threw a Brick Through a Window - 1/2

Interprété par U2.

I was talking
I was talking to myself
Somebody else
Talk talk talking
I couldn't hear a word
A word you said

He was my brother
I said there was no other
Way out of here
Be my brother
Gotta get out
Gotta get out

I was walking
I was walking into walls
I'm back again
I just keep walking
I walk into a window
To see myself
And my reflection
When I thought about it
My direction
Going nowhere
Going nowhere

No one...no one is blinder
Than he who will not see
No one...no one is blinder
Than me

I was talking
I was talking in my sleep
I can't stop talking
I'm talking to you
It's up to you

Be my brother
There is another way out of here
In my brother
Gotta get out
Gotta get out

I Threw a Brick Through a Window - 2/2

Gotta get out of here
