Temptation Waits - 1/2

Interprété par Garbage.

i'll tell you something i am a wolf but i like to wear sheep's clothing i am a bon fire i am a vampire i'm waiting for my moment

you come on like a drug i just can't get enough i'm like an addict coming at you for a little more

and there's so much at stake i can't afford to wait i've never needed anybody like this before

i'll tell you something i am a demon some say my biggest weakness i have my reasons call it my defense be careful what you're wishing

you come on like a drug i just can't get enough i'm like an addict coming at you for a little more

and theres so much at stake i can't afford to wait i've never needed anybody like this before

you are a secret a new possession i like to keep you guessing

you come on like a drug i just can't get enough i'm like an addict coming at you for a little more

and there's so much at stake i can't afford to wait i've never needed anybody like this before
