

Melt Away - 1/1

Interprété par Mariah Carey.

You come to me, with a casual flow
And suddenly, my defenses start to go
When you talk to me, in that sensual tone
It envelops me, and I lose my self control

And baby, I just melt away
Fall like rain
Everytime I see your face, I go off
I just want to break it down (I just wanna break it down)
Anytime you come around (anytime, anytime)
Maybe I could melt away in your arms
(And maybe I could melt away in your arms)

Imagining, that you're taking it slow
And so tenderly, 'til the feeling overflows
When you look at me, I go soft and cave in (cave in)
And I can't conceal, that I'm slowly weakening

And baby, I just melt away
Fall like rain (fall like rain)
Everytime I see your face, I go off (I lose my self-control)
I just want to break it down (I just wanna break it down)
Anytime you come around (anytime you come around)
Maybe I could melt away in your arms

You and me, in a cloud of reverie
Spin arou
