

## When I Saw You - 1/1

## Interprété par Mariah Carey.

soft heavenly eyes glazed into me trenscending space and time and I was rendered still there were no words for me to find at all as I stood there beside myself I could see you and no one else

when I saw you
when I saw you
I could not breathe, I fell so deep oh
when I saw you
when I saw you
I'd never be, I'd never be the same

Only once in a lifetime love rushes in changing you with the tide and dawn's ribbon of light bursts through the dark wakening you inside and I thought it was all untrue until there all at once I knew

when I saw you
when I saw you
I could not breathe, I fell so deep oh
when I saw you
when I saw you
I'd never be, I'd never be the same

with no beginning and without and end you are the one for me it's evident and your eyes told me so you eyes let me know

when I saw you
when I saw you
I could not breathe, I fell so deep oh
when I saw you
when I saw you
I'd never be, I'd never be the same
