

## U Know - 1/1

**Interprété par Boyz II Men.**

I heard you're gonna leave me  
I've known it for a while  
I wasn't naive to the news  
My mind just couldn't walk a mile  
I only see you with me  
Cause I know the things you like  
I know all that you believe  
And all the plans of your life

So take a minute to understand me  
To reevaluate your mind  
I'm everything you need  
And in this world a good man is hard to find  
And I know you miss me  
When all is said and done  
You'll think about this day  
And then you'll realize I was the one

1 - You know that all you need is in me and  
You know that my love's all right and  
Baby you know I can't be denied  
Girl you know, ooh you know

Gave you all a man could give you  
Made sure I found the time  
To keep it all together, but the way you're  
Treating me ain't right (can't understand) it  
Why you're doing me the way  
You're doing, do you enjoy it to see our love fade away  
Can't face the world without you  
Can't even sleep at night  
Gave you all that I treasured  
And I tried to love you with all my might  
And I know you'll miss me when all is said and done  
You'll think about this day and realize I was the one  
You know

Repeat 1 (2X)

You know, you know  
You know I can't be denied  
Girl you know, ooh you know

And you know...

Repeat 1 till end
