

# Thank You - 1/1

**Interprété par Boyz II Men.**

I was young (BOP)  
And didn't have no where to run  
I needed to (wake up) and see (and see)  
What's in front of me (na-na-op)  
There had to be, a better way  
To show I'm grateful (hum)  
So I thought up this song  
To show my appreciation for lovin' me so long  
You don't know how much you mean to me

Chorus:

Cause even though when times got rough  
You never turned away  
You were right there  
And I thank you (thank you)  
When I felt I had enough  
You never turned away  
You were right there  
And I thank you (thank you)

All through my life  
I knew that you'd be my world  
Knowing every where I go  
Things you taught me they would show  
So many times and changes  
You've seen me through  
I sure enough couldn't have survived without you  
And so I thought up this song  
To show my appreciation for lovin' me so long  
You don't know how much you mean to me

Chorus
