[Shawn] (Michael)

Oh oh (yeah baby), it's gettin' hot in here
(It's gettin' too hot in here)
So turn the lights down low
(Turn the lights down low)
And let your smooth body take control
(Oh, I want your smooth body to take control)
You know what I need sweetie
(What I like)
Take this time, and you'll succeed in lovin' me the way I like it
Your love

[Boyz II Men]

1 - Your love is too high
And I can feel your love runnin' through my mind
Nobody loves me, you're one of a kind
Your love is too high

Hey hey hey hey hey, yeah hey
(Your love)

[Wanya]

Stop right here baby (stop)
I can't take it anymore
It's just the way you move
And the way your kisses grow, oh oh
Love is on the rising
Caress me with surprises of your love
Ohh ohh oh ohh ohh

I love it when you hold me
Cuz you hold me so tight
And I love it when you keep my attention
Sharing love beyond mention
Oh girl

Your love is so right
And I'll never have to look for another
Your love (just you), your love is so right
Movin' on down my spine, yes it is
Hey hey hey, it's your love

Your Love - 2/2

You keep my attention
Sharing love beyond mention
