

Lonely Heart - 1/2

Interprété par Boyz II Men.

(INTRO)

[Nichole] Mike?

[Michael] Yeah baby

[Nichole] It's over

[Michael] But how can you say that?

[Nichole] I'm sorry.... The love is gone

[Michael] No.. Please don't leave me

[Nichole] Don't feel bad

[Michael] But how can I not feel bad? I love you

[Nichole] But it's better this way

[Michael] No.. Don't leave... Please

[Nichole] But baby..

[Shawn]

I never thought that it could be

You would turn and do this to me

I can't believe the love we had would, between us, merely fade away

[Nathan]

You told me you'd never go away

And for me, you'd always be here

Now you tell me that something's wrong

And you must move on

[Boyz II Men]

1 - A lonely heart is what I'll be

If no one cares for me

Let me show you now, the way that it would be

If you were with me now

I can feel the love we share

When you say it's not there

Deep inside I know, that you still care

But I need you to show me now

[Nathan]

I'm looking for a quiet place where love is free

And the dreams we share last eternally

I feel now that it's the time

So won't you please come over here

[Michael]

The closer and the closer I get to you

Gives me warmth to know that you'll stay around

[Boyz II Men]

So please keep your promise to me

Lonely Heart - 2/2

And don't go, ooh
