

End Of The Road - 1/2

Interprété par Boyz II Men.

[Intro]

Girl you know we belong together
Now I have no time for you
To be playing with my heart like this
You'll be mine forever baby, you just see

We belong together
And you know that I'm right
Why do you play with my heart
Why do you play with my mind
Said we'd be forever
Said it would never die
How could you love me and leave me
And never say goodbye

When you kissed me last night
Without holding you tight
Girl each time I try I just break down and cry
Pain in my head
Oh I'd rather be dead
Spinning around and around

1 - Although we've come
To the end of the road
Still I can't let go
It's unnatural, you belong to me
I belong to you

Come, to the end of the road
Still I can't let go
It's unnatural, you belong to me
I belong to you

Girl I know you really love me
You just don't realize
You've never been there before
It's only your first time

2 - Maybe I'll forgive you
Maybe you'll try
We should be happy together
Forever you and I
If you love me again
Like you love me before
This time I want you to love me much more
This time is scarce, just come to my bed
And baby just don't let me down

End Of The Road - 2/2

Repeat 1

[Breakdown]

Girl I'm here for you
All those times at night
When you just hurt me
And just ran out with that other fella
Baby I knew about it, I just didn't care
You just don't understand
How much I love you do you, I'm here for you
I'm not out to just go out and cheat all night

[Repeat 2 while talking]

Just like you did, but baby that's alright
Huh, I love you anyway
And I'm still going to be here for you
Until my dying day
Right now I'm just in so much pain again
Cause you won't come back, will you
Just come back to me
Yes girl my heart is lonely
My heart hurts baby, I feel pain too
Baby please

[Repeat 1 till end of song]
