

## Hunter - 1/1

**Interprété par Dido.**

With one light on in one room, I know you're up when I get home  
With one small step upon the stair, I know your look when I get there  
If you were a king up there on your throne, would you be wise enough to let  
me go  
For this queen you think you own  
Wants to be a Hunter again, wants to see the world alone again  
To take a chance on life again, so let me go.  
The unread book and painful look, the TV's on, the sound is down  
One long pause, then you begin, oh look what the cat's bought in  
If you were a king up there on your throne, would you be wise enough to let  
me go  
For this queen you think you own  
Wants to be a hunter again, wants to see the world alone again  
To take a chance on life again, so let me go, let me leave  
For the crown you've placed upon my head feels too heavy now  
And I don't know what to say to you but I'll smile anyhow  
And all the time I'm thinking, thinking  
I want to be a hunter again, want to see the world alone again  
To take a chance on life again, so let me go.
