

You Needed Me - 1/1

Interprété par Boyzone.

you needed me i cried a tear you wiped it dry i was confused you cleared my mind i sold my soul you brought it back for me and held me up and gave me dignity some how you needed me

you gave me strength to stand alone again to face the world out on my own again you put me high up on a pedestal so high that i could almost see eternity you needed me you needed me

and i can't believe it's you i can't believe it's true i needed you and you were there and i'll never leave why should i leave, i'd be a fool 'cos i finally found someone who really cares you needed me

you held my hand when it was cold when i was lost you took me home you gave me hope when i was at the end and turned my lies back into truth again you even called me friend

you gave me strength to stand alone again to face the world out on my own again you put me high up on a pedestal so high that i could almost see eternity

you needed me you needed me you needed me you needed me oh yes you needed me
