

I Love The Way You Love Me - 1/1

Interprété par Boyzone.

i like the feel of your name on my lips
and i like the sound of your sweet gentle kiss
the way that your fingers run through my hair
and how your scent lingers even when you're no there

and i like the way your eyes dance when you laugh
and how you enjoy your two hour bath
and how you've convinced me to dance in the rain
with everyone watching like we were insane

but i love the way you love me
strong and wild, slow and easy
heart and soul so completely
i love the way you love way me

and i like the sound of old r & b
and you roll you're eyes when i'm slowly off key
and i like the innocent way that you cry
from sappy old movies you've seen thousands of times

but i love the way you love me
strong and wild, slow and easy
heart and soul so completely
i love the way you love way me

so listen to me
and i could list a million things i love to like about you
but they could all come down to one reason
i could never live without you

but i love the way you love me
strong and wild, slow and easy
heart and soul so completely
i love the way you love way me

i love the way you love me
