

Games Of Love - 1/1

Interprété par Boyzone.

many years ago now in the garden of love
a temptation that was watched from above
i'll be your adam, if you'll be my eve
so come show me that you will not deceive

that love, just a crazy feeling
deep and hidden meaning
it's true and love, takes some understanding
so don't you go and break all the rules

we're talking a-b-c
i'm singing do-re-mi
i'll teach you endlessly games of love

we're counting 1-2-3
i'm writing u 4 me
i'll teach you endlessly games of love

listen to me now girl
'cos you've know all along it's a game of love
so don't play it wrong
i'll be your romeo and you juliet
just read the book and you won't forget

that love, just a crazy feeling deep and hidden meaning
it's true and love, takes some understanding
so don't you go and break all the rules

we're talking a-b-c
i'm singing do-re-mi
i'll teach you endlessly games of love
