

Street Spirit (Fade Out) - 1/1

Interprété par Radiohead.

rows of houses all bearing down on me
i can feel their blue hands touching me
all these things in all positions
all these things will one day take control
and fade out again and fade out

this machine will will not communicate these thoughts
and the strain i am under
be a world child form a circle before we all go under
and fade out again and fade out again

cracked eggs dead birds
scream as they fight for life
i can feel death can see it's beady eyes
all these things into frution
all these things we'll one day swallow whole
and fade out again and fade out again.

.iMMersE your soUL in LOVE.
