

## My Iron Lung - 1/1

**Interprété par Radiohead.**

faith your driving me away  
you do it everyday  
you don't mean it but it hurts like HELL  
my brain says im receiving pain  
a lack of oxygen from my life suppoRT  
my IrOn lUng.

weRe too young to fall asleep  
too cynical to speak  
we are loosing it can't you tell?  
we scratch our eternal itch  
our twentieth century bitch and we are gratEful for our  
irOn lUng.

suck suck your teenage thumb  
toilet trained anddumb  
(whe n the powrr runs out we'll just humm)  
this this is our new s=ong  
just like the last one  
a total w.a.s.t.e. of time.  
my irOn lUng.
