

Bones - 1/1

Interprété par Radiohead.

I don't wanna a be krippled kracked
shoulders wrists knees and back
ground to dust and ash
crawling on all fours.
when you've got to feel it in your bones.
Now i can't climb the stairs
pieces missing everywhere
prozak painkillersss.
when you've got to feel it in your bones.
and i used to fly like Peter Pan
all the children flew when i touched their hands.
