Interprété par Radiohead.

you can force it but it will not come.
you can taste it but it will not form.
you can crush it but it's always here.
you can crush it but it's always near
chasing you home
saying everything is broken
everyone is broken.

you can force it but it will stay stung.
you can crush it as dry as a bone.
you can walk it straight home from school.
you can kiss it you can break all the rules
but still everything is broken,
everyone is broken.
why can't you forget?
