

Little Girl - 1/1

Interprété par Roxette.

Once upon a time there was a little girl
Once she was mine
In my heart the only one
I wonder where you are
I know you're somewhere in me
I can see your smile when I close my eyes

Oh, little girl
Where did you go, little girl
I miss you so
I remember when she was mine

Once upon a time there was a little voice
Singing loud and clear
In my heart the only one
Once upon a times there was so many dreams
Once they were mine
Oh little girl, they are with you now

Oh little girl
Where did you go, little girl
I miss you so
I remember when she was mine
