

The Center Of The Heart (Is The Suburb To The Brain) - 1/1

Interprété par Roxette.

What am I gonna do when I get a little excited a little in pain, tell me,
What am I gonna say when I find the center of my heart is a suburb to the brain !!

You wear them so well, those innocent eyes
You're putting on a wonderful disguise.
I want you so bad, I'm pushing my luck
It feels like beeing hit by a truck.
This is no place special, don't know why I came
If someone has a minute, won't you explain?

What am I gonna do when I get a little excited a little in pain? Tell me,
What am I gonna say when I find the center of my heart is a suburb to the brain?

Singing: "Na na na na na na, Na na na na na na"

Beeing with you, dealing with fire
Oh, won't you come around (come out) come out (today) and play
I want you so bad, answer my calls
Let's spend the night within these walls
This is no place special, nothing for the same
If someone's got a minute, do please explain!
