

## Anyone - 1/1

**Interprété par Roxette.**

Anyone who have a love close to this knows what I'm saying.  
Anyone who wants a dream to come true knows how I'm feeling.  
All I can think of is you and me doing the things I wanna do.  
All I imagine is heaven on earth I know it's you.  
Anyone who ever kissed in the rain knows the whole meaning.  
Anyone who ever stood in the light needs no explaining.  
But everything more or less appears so meaningless, blue and cold.  
Walking alone through the afternoon traffic, I miss you so.  
Anyone who felt like I do. Anyone who wasn't ready to fall.  
Anyone who loved like I do knows it never really happens at all.  
It's over when it's over. What can I do about it now that it's over.  
Everything more or less is looking so meaningless and fades to grey.  
Lying awake in an ocean of teardrops, I float away.  
Anyone who ever felt like I do. Anyone who wasn't ready to fall.  
Anyone who loved like I do knows it never really happens at all.  
It's over when it's over. What can I do about it. Now that it's over, hey baby.  
Anyone who ever felt like I do. Anyone who wasn't ready to fall.  
Anyone who loved like I do knows it never really happens at all.  
It's over when it's over. What can I do about it.  
Now, now it's all over. It's all over baby.  
Anyone. Anyone. Anyone who loved like I do
