

## Dangerous - 1/1

**Interprété par Roxette.**

You pack your bag. You take control. You're moving into my heart and into my soul.  
Get out of my way! Get out of my sight!  
I won't be walking on thin ice to get through the night.  
Hey where's your work? What's your game?  
I know your business but I don't know your name ...  
Hold on tight, you know she a little bit dangerous.  
She's got what it takes to make ends meet the eyes of a lower that hit like heat.  
You know she's a little bit danderous.  
You turn around, so hot and dry. You're hitting under a halo, your mouth is alive.  
Get out of my way! Get out of my sight!  
I'm not attracted to go-go deeper tonight.  
Hey, what's your word? What's your game?  
I know your business but I don't know your name ...  
Hold on tight, you know she a little bit dangerous.  
She's got what it takes to make ends meet the eyes of a lower that hit like heat.  
You know she's a little bit danderous. She's armed and she's extremely dangerous ...
