

I call your name - 1/1

Interprété par Roxette.

It's a madman's situation, reminiscing in the rain,
and I've lost your love again, I call your name.
And I don't want to think about it when I go to sleep at night,
can you hear it in the wind? I call your name.
I call your name. And I close the door behind me,
I turn the lights all down, there's no one beside me,
I call your name. And I don't want to think about it
but I wind up all the same, nothing'll ever change,
I call your name. Lie awake under the stars,
lie awake under the stars.
