

Black Velveten - 1/1

Interprété par Lenny Kravitz.

Black Velveten
Simple and clean
Oh what a bad machine
Black Velveten
Supple and lean
The 21st century dream
Ready to please
Free from disease
She's waiting on her knees
It's not a sin
Titanium skin
Just take her for a spin
Black Velveten
Simple and clean
Oh what a bad machine
Supple and lean
The 21st century dream
Nice piece of kit
Electronic clit
Just sit down for a fit
Ready to trip
A guaranteed hit
She's all you ever wished
Black Velveten don't give a damn she'll do dishes
Black Velveten knows all the night spots in France
Black Velveten's cat smells like strawberry kittens
Black Velveten always is ready to dance
Black Velveten
Simple and clean
Oh what a bad machine
Black Velveten
Supple and lean
The 21st century dream
Black Velveten don't give a damn she'll do dishes
Black Velveten knows all the night spots in France
Black Velveten's cat smells like strawberry kittens
Black Velveten always is ready to dance
Black Velveten
Simple and clean
Oh what a bad machine
Black Velveten
Supple and lean
The 21st century dream
