

Like Lovers (Holding On) - 1/2

Interprété par Texas.

Now we've travelled far
But are we any nearer
There's a feeling we're reaching for
In the fields where it all began
Listen, do you hear
I thought I heard a promise
But that empty feeling grows
And I'm scared that I would forget

But I
I can remember
Look around you now
There's people still hanging on
See, it's me
I'm the one
Believe in me
I've just begun
We'll be here when the lights come on
When it all comes down to
Me and you

Just a boy and girl
Trying to change a cold world
I don't expect that you'd understand
When you look at this empty land

But I
I can remember
Look around you now
The people still hanging on
And I
I can remember them
Be it night or day
Like lovers left holding on

See, it's me
I'm the one
Believe in me
I've just begun
We'll be here when the lights come on
When it all comes down to
Me and you

And I
I can remember
Look around you now
The people still hanging on

Like Lovers (Holding On) - 2/2

And I
I can remember them
Be it night or day
Like lovers left holding on
And I
I can remember
Look around you now
The people still hanging on

And on and on and on and on...
Keep me holding on...
You keep me holding on...
Like lovers left holding on...
