

## Inner Smile - 1/2

**Interprété par Texas.**

Yeah, yeah, yeah, ....

You gave me something  
Like loving  
And took me in so soon  
You took my feelings  
from nothing  
Came back at noon  
Just meet me  
I'm ready  
To show myself to you

So if I lose my patience  
You must try to understand  
(try to understand)  
If I lose my patience  
Ooooh yeaaaaaaaah

Refrain :  
Cause you make me feel  
Cause you make me feel wild  
You touch my inner smile  
You got me in the mood  
So come and make your rule  
And free me

You make my wishes  
As much as  
Your kisses make me blue  
You've found my river  
Now will you  
Escape away too  
But baby  
I'm ready  
I'm falling into you

So if I lose my patience  
You must try to understand  
(try to understand)  
If I lose my patience  
ooooh yeaaaaaaaah

Refrain  
Free me  
Free me  
Wooow wooow woowooow  
Wooow wooow woowooow

## Inner Smile - 2/2

Wooow yeaaaaaaaah

Cause you make me feel wild  
You touch my inner smile  
You got me in the mood  
So come and make your rule  
And touch my inner smile  
Come get my inner smile, smile, smile  
Yeaaaaah yeaaaaaaaah

Sometimes I need to be alone  
There's times I need for you to phone  
Sometimes you make me feel so high  
There's times I ask myself why
