

Yo Know What - 1/2

Interprété par Craig David.

Yeah, I know that
I said I'm feeling, I'm feeling it, I'm feeling it yeah (yeah, yeah)
I know that you like the way that I put it down on you
You know what yeah

We were meant to be together for eternity
But now you're gone it's plain to see that I was living just a fantasy
So many thing I'd like to do
If I ever I found a love that's true
Finding it hard to push on through
Since I've been away from you

When I first met you waiting, standing up by the bus stop
I knew you were something special weak in my knees
I wanted to drop yeah-e-yeah
So we checked each other
What we had going on was so hot yeah
I never thought you'd leave me no
But you know what

Yeah, I know that
I said I'm feeling, I'm feeling it, I'm feeling it yeah (yeah, yeah)
I know that you like the way that I put it down on you
You know what yeah

Now I can't seem to get over you appearing in everything that I do
It was only last week Friday when I saw you out with your girlfriends walking
'Round my way (wanted to stop) yeah-e-yeah
I feel when all's said and done
From this love I've learnt a lot yeah
I never thought you'd leave me no
But you know what (hey, hey, hey)

Yeah, I know that
I said I'm feeling, I'm feeling it, I'm feeling it yeah (yeah, yeah)
I know that you like the way that I put it down on you
You know what yeah

The flow that we had was so hot
Girl you took me higher to the top
We kept it rolling wouldn't stop

Yo Know What - 2/2

Said you'd never leave me
But you know what

Yeah, I know that
I said I'm feeling, I'm feeling it, I'm feeling it yeah (yeah, yeah)
I know that you like the way that I put it down on you
You know what yeah

You don't know what I've been going through
But I know that you didn't know what
I said I'm feeling it, I'm feeling it, I'm feeling it yeah (x2)
