

Break Me Shake Me - 1/1

Interprété par Savage Garden.

I never thought I'd change my opinion again
But you moved me in a way that I've never known
You moved me in a way that I've never known
But straight away you just moved into position again
You abused me in a way that I've never known
You abused me in a way that I've never known

So break me shake me hate me take me over
When the madness stops then you will be alone
Just break me shake me hate me take me over
When the madness stops then you will be alone

So you're the kind that deals with the games in the mind
Well you confuse me in a way that I've never known
You confuse me in a way that I've never known

So break me shake me hate me take me over
When the madness stops then you will be alone
So won't you break me shake me hate me take me over
When the madness stops then you will be alone

She says, "I can help you, but what do you say?"
Cos its not free baby, you'll have to pay
You just keep me contemplating
That your soul is slowly fading
God don't you know I live with a ton of regret?
Cos I used to move you in a way that you've never known
But then I accused you in a way that you've never known
But you hurt me in a way that I've never known...

Break me shake me hate me take me over
When the madness stops then you will be alone
So won't you break me shake me hate me take me over
When the madness stops then you will be alone

Listen baby, you'll be, you'll be alone
Break me shake me hate me take me over
When the madness stops then you will be alone
Break me shake me hate me take me make me
Fake me break me shake me hate me take me
Break me...
