

Violet - 1/2

Interprété par Savage Garden.

If theres a way that you could
be everything you want to be
Would you complain that it came too easy?
Just like the games with you and me,
a resolution hard to see
But thats OK cos I don't
see things that are plain to see

Well I've got a dream to take you over,
exploding like a supernova
And I'm gonna crash into your world, and thats no lie

You want to give ecstasy delivered with certainty
But you're afraid that the pleasure wont be needed
In a way, we're the same two people looking out to sea
For a wave that would carry all our fantasies
If theres a way to infiltrate you,
sway your mind and complicate you
I'm gonna crash into your world, and thats no lie

So let your body move into the doorway
To the disco inside your head (Violet)
Wear a colour that you want to cling to
The color inside your head (Violet)

Contemplate jealousy intermixed with urgency
A million things take a damned good shot at you and me
If there's a way to infiltrate you,
sway your mind and complicate you
And I'm gonna crash into your world, and thats no lie

Common sense is a game many people don't like to play
But give it in and the moment takes you either way
Well I've got a dream to take you over,
exploding like a supernova
And I'm gonna crash into your world,
and thats no lie

So let your body move into the doorway
To the disco inside your head (Violet)
Wear a color that you want to cling to
The color inside your head (Violet)

If theres a way that you could
be everything you want to be
Would you complain that it came too easy? (Violet)
In a way, we're the same two people looking out to sea
