

To The Moon And Back - 1/1

Interprété par Savage Garden.

She's taking her time making up the reasons
To justify all the hurt inside
Guess she knows from the smiles and the look in their eyes
Everyones got a theory about the bitter one
They're saying, "Mamma never loved her much"
And, "Daddy never keeps in touch"
"Thats why she shies away from human affection"
But somewhere in a private place
She packs her bag for outer space
And now shes waiting for the right kind of pilot to come

And she'll say to him

Chorus

I would fly you to the moon and back if you'll be..
If you'll be my baby
Got a ticket for a world where we belong
So would you be my baby?

She can't remember a time when she felt needed
If love was red then she was colour blind
All her friends they've been tried for treason
And crimes that were never defined
She's saying, "Love is like a barren place,
And reaching out for human faith is,
Is like a journey I just don't have a map for"
So baby gonna take a dive and push the shift to overdrive
Send a signal that shes hanging
All her hopes on the stars

What a pleasent dream

I would fly you to the moon and back if you'll be..
If you'll be my baby
got a ticket for a world where we belong
So would you be my baby?
