

He Wasn't Man Enough For Me - 1/2

Interprété par Toni Braxton.

Darkchild, oh yeah
Toni Braxton, oh
Ha-ha, uh-huh
Yeah, uh, uh
Darkchild yeah

Who do you think I am?
Don't you know that he was my man?
But I chose to let him go
So why do you act like I still care about him?
Looking at me like I'm hurt
When I'm the one who said I didn't want it to work
Don't you forget I had him first?

Whatcha' thinking?
Stop blaming me
He wasn't man enough for me
If you don't know now, here's your chance
I've already had your man
Do you wonder just where he's been, yeah
And I'd be worried about him
Now it's time you know the truth
I think he's just the man for you

What are you thinking
Do you know about us back then
Do you know I dumped your husband
Girlfriend,
I'm not thinking 'bout him
But you married him
Do you know I made him leave
Do you know he begged to stay, with me
He wasn't man enough for me

Didn't he tell you the truth
If not, then why don't you ask him
And maybe you could be more into him
Instead of worrying 'bout me
And hopefully, you won't find
All of the reasons why his love didn't count
And why we couldn't work it out

Whatcha' thinking?
Stop blaming me
He wasn't man enough for me
If you don't know now, here's your chance
I've already had your man

He Wasn't Man Enough For Me - 2/2

Do you wonder just where he's been, yeah
And I'd be worried about him
Now it's time you know the truth
I think he's just the man for you

What are you thinking
Do you know about us back then
Do you know I dumped your husband
Girlfriend,
I'm not thinking 'bout him
But you married him
Do you know I made him leave
Do you know he begged to stay, with me
He wasn't man enough for me

What are you thinking
Do you know about us back then
Do you know I dumped your husband
Girlfriend,
I'm not thinking 'bout him
But you married him
Do you know I made him leave
Do you know he begged to stay, with me
He wasn't man enough for me

So many reasons why our love is through
What makes you think he'll be good to you
It makes no sense
'Cause he will never change
Girl you better recognize the game

What are you thinking
Do you know about us back then
Do you know I dumped your husband
Girlfriend,
I'm not thinking 'bout him
But you married him
Do you know I made him leave
Do you know he begged to stay, with me
He wasn't man enough for me
