

I Bow Out - 1/1

Interprété par Whitney Houston.

CD My love is your love

I tired of playing this game
And I won't play it no more
And I won't take it no more
Through with being your fool
And I won't do it no more
And I won't, I won't keep up this act
Not for one minute
I'm gonna pull, I'm gonna pull this curtain down

This time I won't play this game
I made a vow to make a change and
I Bow Out (I won't be hanging around baby)
I decline to take the pain
I resign the masquerade
I Bow Out (I won't be staying around baby)
I Bow Out

Can't go on with the show
Your just a stage I went through
Now your just fading from view. Yeah!
Time for a change of scene
Guess I'll be taking my leave
I guess I won't, I won't stay in this play
Not for one minute
I gonna make, I wanna make my exit now

This time I won't play this game
I made a vow to make a change and
I Bow Out (I won't be hanging around baby)
I decline to take the pain
I resign the masquerade and
I Bow Out (I won't be staying around baby)
I Bow Out

When your left standing on that stage all alone
Maybe you'll realize
You should have learned to treat me right
And when this final act is finally through
Maybe you'll wish you'd been
The kind of man you should have been
Now watch me say goodbye and walk rightout of your life

Instrumental Break

Chorus: Fade out
