

Here I Stand And Face The Rain - 1/1

Interprété par A-Ha.

Help me
I need your love
Don't walk away
The dark scares me so
We're nothing apart
Let's stay friends forever
Forever

Here I stand and face the rain
I know that nothing's gonna be the same again
I fear for what tomorrow brings

Trust me
For who I am
Place all your faith
Into these hands
I got nothing to say
But let's stay friends forever
forever

Here I stand and face the rain
I know that nothing's gonna be the same again
I fear for what tomorrow brings
Here i stand and face the rain
I know that nothing's gonna be the same again
I fear for what tomorrow brings
Here I stand and face the rain
Knowing nothing's gonna be the same again
Ahhhhhhhhhhhaaaaaaaaaa
Ahhhhhhhhhhhaaaaaaaaaa

...

Here i stand and face the rain
Knowing nothing's gonna be the same
Again
