

# I've Been Missing You - 1/1

**Interprété par Texas.**

Do I know if you are sleepin  
Cause you lie so still and warm  
Yeh the darness and the silence  
Wrap around me

Don't hear your cries  
That make me sleep so sound  
Maybe I've been missing you  
I'm been missing you  
For so long

If one day you said you were happy  
I think your spell would be broken for good  
Sometimes I pray  
That you are unkind to me
