

# Beautiful Angel - 1/1

**Interprété par Texas.**

Nobody wants to take the blame  
Everybody wants to stay the same  
All I want is what you had

I never meant to make you feel so sad  
But you should have known it  
Cause I tried to show it

So it woudn't happen this way  
Yeh I tried to show you  
My beautiful angel  
My beautiful angel

I only wanted you  
To this day I can't explain  
Why I stole him away

I guess I thought you'd run to me  
I didn't really know how wrong I'd be  
Well you should have known it

Cause I tried to show it  
I've been tasting your tears for too long  
Yeh I tried to show you  
I never asked for nothin

I, I only wanted you  
My beautiful angel  
My beautiful angel

I only wanted you  
I tried to show you  
My beautiful angel  
I only wanted you
