

Black Eyed Boy - 1/2

Interprété par Texas.

No I don't lack ambition Can't you see what I hate That it's you who is sicking Locked behind iron gates

You should know You're falling into fiction I can tell You're on some foolish mission

You're black eyed soul You should know That there's nowhere else to go My black eyed boy You will find Your own space and time

You call me superstitious Tie me up with your deceit I could never be malicious Though I seem so bittersweet

You should know You're falling into fiction I can tell You're on some foolish mission

You're black eyed soul You should know That there's nowhere else to go My black eyed boy You will find Your own space and time

Black eyed soul
You should know
That there's nowhere else to go
My black eyed boy
You will find
Your own space and
Time

Yeh, you should know You're falling into fiction I can tell You're on some foolish mission
