CD On how life is

All I ever

wanted was some love and peace and harmony
I could dance in the raw in the sun underneath the stars
When I walk over to my money tree ain't nobody there
trying to take from me
When they ask "Are you truly free?" I'd say "Yes,
truly"
But down here in reality everybody knows there ain't no such
thing
And it's clear
It's obviously this is not the place I'm supposed to be
On and on and on I've searched
What I'm lookin for is not here on earth
I can't stand I can't take no more
So I know that I gotta go
So long everybody
Mama don't be sad for me
Life was a heartache and now I am finally free
Don't know where I'm headed
Hope I see you someday soon
So long everybody
I have gone beyond the moon

All I ever wanted, love and the peace and the harmony
Just to be to live and shine
When I get ready I up and fly
And I can't remember none of the things that I want to forget
It's the best - satisfaction no less
Ask if I'm free and I'll say "Oh yes"
But down here in reality everybody knows there ain't no such
thing
And it's clear
It's obviously this is not the place I'm supposed to be
On and on and on I've searched
What I'm lookin for is not here on earth
I can't stand I can't take no more
So I know that I gotta go
So long everybody
Mama don't be sad for me
Life was a heartache and now I am finally free
Don't know where I'm headed
Hope I see you someday soon
So long everybody
I have gone beyond the moon

Before I do

The letter - 2/2

Just one more look at you
It's worth the stay
But I'll meet you later at that better place
All I ever wanted was
All I ever wanted was
All I ever wanted was
So long everybody
Mama don't be sad for me
Life was a heartache and now I am finally free
Don't know where I'm headed
Hope I see you someday soon
So long everybody
I have gone beyond the moon
