

# Impressed - 1/1

Interprété par Natalie Imbruglia.

Album : Left of the middle

Sweet confetti out looking for a savour, finding it hard to break the chain,  
Nothing ventured nothing gained,  
Ice cream beauty acting on her best behaviour,  
Finding it hard to bite her tongue,  
Feeling so old as the night is young,  
Six foot leaning on a lizard chest,  
Two red dragons ironed on my vest,  
All that money you deserve the best,  
I'm impressed, I'm impressed, I'm impressed,  
What you've got isn't all you've been given,  
Changing your body like you change your jeans,  
Nothing is ever as it seems,  
Something tells me it's marriage made in heaven,  
Stealing your look from a magazine,  
Playing the part from a movie scene,  
Six foot leaning on a lizard chest,  
Two red dragons ironed on my vest,  
All that money you deserve the best,  
I'm impressed, I'm impressed, I'm impressed,  
Everyday is like your birthday, But the candles burning,  
Don't you see, don't you see,
