

## Cartoon heroes - 1/1

Interprété par Aqua.

We are what we're supposed to be  
Illusions of your fantasy  
All dots and lines that speak and say  
What we do is what you wish to do

We are the cartoon symphony  
We do the things you wanna see  
Frame by frame, to the extreme  
Our friends are so unreasonable  
They do the unpredictable  
All dots and lines that speak and say  
What we do is what you wish to do

It's all an orchestra of strings,  
Doing unbelievable things  
Frame by frame, to the extreme  
One by one, we're making it fun

We are the Cartoon Heroes, Oh oh oh  
We are the ones who're gonna last forever  
We came out of our crazy mind, Oh oh oh  
And what a town and a feza, baby

Take a Spiderman, an arachnophobian  
Welcome to the toon town party  
Take a superman from nevernever land  
Welcome to the toon town party

We learn to run at speed of light  
And to fall down from many heights  
It's true but just remember that  
What we do is what you just can to

I know the route of crazyness  
A bunch of dots that's chasin' us  
Frame by frame, to the extreme  
One by one, we're making it fun

We are the Cartoon Heroes, Oh oh oh  
We are the ones who're gonna last forever  
We came out of our crazy mind, Oh oh oh  
And what a town and a feza, baby

Take a Spiderman, an arachnophobian  
Welcome to the toon town party  
Take a superman from nevernever land  
Welcome to the toon town party

You'll think we're so mysterious  
Don't take us all too serious  
Be original, and remember that  
What we do is what you just can do

What we do is what you just can do  
What we do is what you just can do  
What we do is what you just can do  
What we do is what you just can do

We are the Cartoon Heroes, Oh oh oh  
We are the ones who're gonna last forever  
We came out of our crazy mind, Oh oh oh  
And what a town and a feza, baby

There's still more to come,  
And everyone will be  
Welcomed at the  
Toon - Toon  
Town - Town  
Party
