Interprété par Lil Bow Wow.

CD Beware of dog

[Lil Bow Wow]

Like when Janet was Justice, that's what I'm talkin bout

A shorty that can tell you when the J's come out

Get creative wit the haircuts like T-Boz

Fav'rite rappers is Bow Wow, Snoop, JD, and Nas

Always up in somebodys face tryna fuss

And to get where she goin' she can take the bus

Like when Jada was peaches in the movie Shame

Or the type you can find sittin at a Ruckus game

They only like dealin wit cats that love to floss

Only like rockin the stuff that really cost

Lip Gloss shinin, tattoos on her back

Attitude like Mary J., mixed wit Brat

You can find them at a beauty shop, mall, or church

Name Brand from head to toe, with the matchin purse

So all that suddity stuff, ya'll can keep

Cuz only those that keep it ghetto get to ride with me fo sho

[chorus](Jagged Edge)

Ghetto girls

They like hot boyz, that push hot toys

And ball wit the best of them

Ghetto girls , they rock braids in different shades

And in the kitchen fix the bomb kool-aid

Ghetto Girls they think they can hang

They talk more slang than I do

Ghetto girls, that's all, I like so tell me baby is that you

[Lil Bow Wow]

When they roll wit they man like you won't believe

Switch the color on their hair like E-V-E

When they talk like I talk but walk like a lady

Snap when I snap and get a little crazy

I love that, especially when they bought the cheese

The type that won't fron't on some Mickey D's

Bandanas to barettes, Daisy dukes and spandex

All that's good wit me, I like 'em G-H-E-T-T-O

Don't believe me she gots to go

At the corner store buyin' up all the sweets

From choo-choo's to Rice Krispy treats on my street

That's all I see like everyday, and they do what they do in a crazy way,

hang wit the ballers so they neva pay

And they usually got a name that's hard to say Ya heard!

[chorus]

(Lil Bow Wow)

uh, let's talk about it now

If you know what I mean shorty let yo'self be seen ya heard

If you know what I mean, shorty let yo'self be seen uh-uh

Ghetto girls - 2/2

If you know what I mean shorty let yo'self be seen ya heard
If you know what I mean shorty let yo'self be seen uh-uh
[chorus]
