

## Circles round the moon - 1/1

Interprété par Geri Halliwell.

CD Scream if you wanna go faster  
I get a feeling, morning  
and evening  
Baby when you get home, ooohh  
I got a vision, my superstitions gone  
Baby I'm shining, you got me flying  
Throw me a silver line, ooohh  
Pull me down slowly, kiss me and hold me tight  
We can't hide it  
We can't fight it  
Just feel as you believe  
I go a spell on my  
heart for ya  
Wishin' on a little star for ya  
Kinda magic in everything we do (Running circles round the moon)  
Live and I'd die for ya  
Get a little bit high for ya  
Forever couldn't come too soon  
Running circles round the moon  
I'm moving over, you're  
gettin closer  
Heaven is in your eyes, ooohh  
Mystical wonder, flowing into our lives  
Spirits are waking, to the love that we're makin'  
Angels are on our side  
Watching and waiting, catching the joy we cry  
Out of my mind  
Chasin circles of love, but I find  
Every lifetime  
It's always you
