Intro:

Roses are red and violets are blue;
Honey's sweet but not as sweet as you;
Roses are red and violets are blue;
Ha de da did um la, Ha de da did um la
Dum de da de da, Dum de da de da
Dum de da de da;
Dum de da de da Dum de da de da
Dum de da de da; Come pick my roses

Verse 1:

Sweet from the flowers, Honey from the bees
I've got a feeling I'm ready to release
Roses are red and violets are blue
Honey's sweet but not as sweet as you
It's invisible but so touchable
And I can feel it on my body, so emotional
I'm on a ride, on a ride, I'm a passenger
I'm a victim of the hard love messenger

Chorus:

Dum de da de da, Dum de da de da,
Dum de da de da, The only thing he said was
Dum de da de da, Dum de da de da
Dum de da de da, That roses are red

Verse 2:

Come to me baby, please fulfill my wish
Show it to me truly, show me with a kiss
Roses are red and violets are blue,
Honey's sweet but not as sweet as you
It's invisible but so touchable
And I can feel it on my body, so emotional
I'm on a ride, on a ride, I'm a passenger
I'm a victim of the hard love messenger

Repeat Chorus

Ha de da did um la, Ha de da did um la
Dum de da de da, Dum de da de da,
Dum de da de da, Dum de da de da, Don't take my roses away.....
Repeat Chorus
