

## Cosmic girl - 1/1

**Interprété par Jamiroquai.**

I've must have  
died and gone to heaven  
Cos it was a quarter past eleven  
On saturday night on 1999  
Right across on where I'm standing  
On a dance floor she was landing  
It was clear that she was from another time  
Like some Baby Barbarella with the stars as her umbrella  
She asked me if I liked to magnetise  
Do I have to go star-trekking  
Cos it's you I should be checking  
So she laser beamed me with her cosmic eyes

She's just a cosmic girl from another galaxy  
My heart's at zero gravity  
She's from a cosmic world  
Putting me in ecstasy  
Transmitting on my frequency  
She's cosmic

I'm scanning all my radars  
Well she said she's from a quasar  
Forty thousand million light years away  
It's a distant solar system  
I tried to phone but they don't list em  
So I asked her for a number all the same  
She said, step in my transporter so I can teleport ya  
All around my heavily body  
This could be a close encounter  
I should take care not to flounder  
Sends me into hyperspace when I see her pretty face

She's just a cosmic girl from another galaxy  
My heart's at zero gravity  
She's from a cosmic world  
Putting me in ecstasy  
Transmitting on my frequency  
She's cosmic  
(Sends me into hyperspace when I see her pretty face)x8

She's just a cosmic girl  
From another galaxy  
Transmitting on my frequency  
Yeah cosmic, oh  
Can't you be my cosmic woman?  
I need you, I want you to be my cosmic girl for the rest of  
time
