This love
This love is a strange love
In that it can lift that love
This love

This love
I think I'm gonna fall again
And ever when you held the hand
It doesn't mean a thing

This love
Now rehearsed we stay love
Doesn't know it is love
This love

This love
It doesn't have to feel love
It doesn't need to be loved
It doesn't mean a thing
This love

This love
This love is a strange love, strange love
This love
This love is a strange love, strange love
Doesn't mean a thing
Think I'm gonna fall again
This love

This love
This love is a strange love, strange love
Doesn't mean a thing
Think I'm gonna fall again
This love

This love
This love is a strange love, strange love
Think I'm gonna fall again
This love is a strange love, strange love
Doesn't mean a thing
Think I'm gonna fall again
